*All your loans at BSE Credit Union must be current, not in work-out status, or alternate payments, with no collection action pending. Your account must not be overdrawn, and you must have sufficient funds on deposit to cover the \$35 processing fee. Interest will continue to accrue on your loan during the month you skip your payment. Each loan payment is applied first to unpaid late fees and charges, then to the accrued interest due on the loan, and the remaining amount is applied to the principal balance. Up to one (1) skip per loan may be performed during a 12-month calendar year. Excludes home equity, second mortgages, lines of credit, credit cards and business loans. Your regular payment schedule will resume the month following the approved skipped month.

**A separate written Application, Disclosure, and Agreement must be completed and submitted for each loan on which the borrower wants to apply to skip a payment. Subsequent requests to skip payments on a loan for which a written Application, Disclosure, and Agreement has already been submitted can be made by contacting BSE Credit Union. Submitting this application does not guarantee your skip payment is approved. If denied, you will be notified by mail.

Other restrictions may apply. Refer to the account and loan disclosures and agreements. **Skipping one or more payments will extend the term of your loan and interest will continue to accrue.** For auto loan payments, max 2 skip payments per loan that has GAP Protection coverage.
